IN STOCK

Quick Overview

Send flowers and gifts to the parents on the birth of their new baby girl. Our Baby Girl Bouquet Family Gift Basket features a floral rose plant to grow with baby, and an inspirational and heartwarming poem gift about parenthood.

Details

A new baby gift that includes the whole family. This beautiful, quality baby girl gift basket is so much better than a bouquet of flowers. Featuring a pretty flowering mini rose plant, a warm and witty ready-to-hang 'recipe for parenthood' rhyming poem print that speaks of the very real ingredients involved in parenthood, including 'a dollop of devotion and a tablespoon of challenge' that every parent will be able to relate to as baby grows! There is also a collection of gorgeous gifts for their new baby daughter including an organic cotton body suit and a exceptionally cute and fluffy teddy bear blankie and comfort blankie in one from the Suki baby gift collection. For the new mother we have included a bottle of pure and natural mummy soothing bath soak with essential oils of lavender, a matching gift set of "New Mummy" and "New Daddy" gift mugs, and a bag of scrumptious lily o brien sea salt and caramel milk chocolate discs. The Baby Girl Bouquet Family Gift Basket is gift wrapped to perfection, and accompanied by a new baby girl congratulations greetings card for your personalised message. "A Recipe for Parenthood" - poem wording reads as: A dollop of devotion, A dash of dedication, A smattering of sleepless nights, And a drop of education. A tablespoon of challenge, A teaspoon of affection, A pinch or two of worry, And a drizzle of protection. A grain or two of patience, A soupcon of surprise, A sprinkling of laughter, And a splash of compromise. A spot of wit and cunning, A slice of perspiration, An ounce of hope and wonder, And a cup of conversation. Mix up the ingredients As listed up above, Serve with lashings of support, And unconditional love.
