Details

The birth of a new baby girl needs to be celebrated, and the perfect way to do this is to gift the new parents with a classic Moet et Chandon new baby girl champagne hamper, a gift that they would never buy for themselves. But why stop at a bottle of champers when you can also include gorgeous gifts for the new baby girl, and personal gifts for mummy and daddy too? Our Champagne Parents and Baby girl gift baskets includes chocolates and treats for Mum and Dad to share, a cozy cuddles teddy bear comfort blankie which will soon become baby's new sleepy time best friend, and a organic 100% cotton baby girl bodysuit. The new Mother will appreciate having some me time with a well earned rest in the soothing "new mum" bath soak, while Dad makes them both a cup of coffee to be enjoyed in their matching "new mummy" and "new daddy" china gift mugs. If you have been searching for a new baby girl and parent celebration gift idea, that's both practical and flamboyant, you've found it in the Champagne Parents and Baby Girl Hamper.
