

GroMat Gardens - Grow Your Own Vegetables

£5.99

OUT OF STOCK

Quick Overview

A pre-sown 2 metre seed mat. Roll out for a quick and easy garden. Discover the rewards of growing your own vegetables in just a few weeks with GroMat, the easy way to grow a vegetable garden.

Details

GroMat is a biodegradable mat which is already sown with a mix of Beetroot, Carrot, Lettuce, Radish and Spring Onion seeds, so all the hard work is done for you! The mat can be rolled out as it is, or cut to size, so it's perfect for any planting space. So for a quick and easy vegetable garden - just plant the mat and water. It really is that simple! Mix contains: Beetroot Solist, Carrot Amsterdam Forcing (Sprint), Lettuce Little Gem, Onion (Spring) Long White Ishikura, Radish Cherry Belle.
