Details

Every Mother deserves a day of relaxation on Mothers Day. Send her this bright and colourful gift basket which is accompanied by a pretty flowering potted rose bush which will thrive for many months in her living room or kitchen. Any mum will be delighted to receive this substantially sized re-useable pretty wicker gift basket which has been filled with a collection of treats selected by our gift basket designers who are mums themselves. As well as the customary flowers that every mum expects on mothers day, we have also hand selected a beautiful fine china mug engraved with a lovely 'super mum' message to act as a lasting memento of your gift. From it she can enjoy a well deserved cup of tea and enjoy the selection of biscuits and treats included in the gift hamper. So delay no longer, send your mother the Mothers Day Flowers and Tea Gift Basket and let her know just how much you appreciate her this mothers day. This gift basket truly is the perfect way to show your continued appreciation and love of your super Mum or Grandma.
