### Details

Milestone Birthdays are always memorable ones, meaning the gift has to be as equally unforgettable, we have found the solution. The legacy Fancy Pantry has been tailored for a Macho man, because with teas and coffees along with biscuits we have created the perfect combination for a Milestone Birthday Hamper. A year mug, with an age cake sleeve and Birthday card, give the utmost theme of personalisation, which is key, especially for a Milestone Birthday. Chocolates, baked goods and even a Birthday cake are the foundations of Birthdays, and we have them all in the same place! You cannot go wrong when you look at the facts, tea and biscuits are a favourite, which is why our Fancy Pantry range is too. The Macho Fancy Pantry is distinctive from its more generic Birthday Hampers, with bolder colours and flavours tailored to a man. The detail and personalisation which goes into the Macho Birthday Milestone Fancy Pantry Hamper makes it extra special when opening, and that's before he sees everything inside.
