Details

With a general knowledge magazine to learn a new topic with an abundance of treats to enjoy. The treats we chose are different and can be explored inquisitively; vegan or low calorie, see how this affects your taste buds and alters the flavours, in a good way we promise. As it is for a Birthday, we ensure there are lots of celebratory items including Gourmet Naive chocolate and chocolate covered blueberries, these items are just the tip of the iceberg in this Birthday Gift Basket. Women who are incredibly intelligent also need to pamper themselves, and when is better to do this than on her Birthday with this General Knowledge Birthday Gift Basket with a luxurious gift set drum is an outstanding gift even by itself, with a fun nail gift set with a cute flip flop design. A pocket sized puzzle book is an adorable element of this General Knowledge Birthday Gift, it can be carried easily in a handbag, this is the Birthday Gift Basket that just keeps giving. All senses must be stimulated which is why included candles and face masks, we truly have thought of everything, this is not a General Birthday Gift, we have thought of every aspect for a Birthday basket for a Woman into General Knowledge and created the perfect Birthday Gift.
