

Relax Candle

£12.50

OUT OF STOCK

Quick Overview

Invoke an air of tranquility with this large Relax candle skilfully blended to create a sense of calm and serenity.

Details

A sumptuous fragrance unveils a plethora of soothing florals including jasmine and orange blossom. The base of amber, musk and sandalwood is thought to invoke tranquility and promote relaxation whilst sweet orange essential oil adds the finishing touch for its ability to ease feelings of stress and anxiety. This glass candle is beautifully adorned with a scattering of gold motifs and is filled with powerful scents which will burn for up to 35 hours. This collection of mindful home fragrances by Silentnight and Wax Lyrical have been created using essential oils, to invigorate the senses and relax the mind - all in aid of a productive day and a great night's sleep.
