Details

The Easter Bakery Eggstravagance Gift Basket is a truly delightful gift for a family this Easter time. Bursting with fun, freshness and chocolatey treats. Everything an Easter gift should be. We have also been mindful to include an array of different tastes and flavours as to insure this gift basket contains something for everyone. Making it the perfect family gift to fight over - I mean share! But first, no Easter gift would be complete without the epitome of Swiss excellence in the form of two golden, chocolate eggs and a hand-crafted golden bunny, by the master chocolatiers of Lindt. We have also included the generational favourite, Cadbury's chocolate Easter egg, for a younger family member perhaps. The Easter Bakery Eggstravagance Gift Basket also features a deliciously indulgent chocolate fudge cake. Perfect served cold but even better served hot with a dollop of clotted cream. Alongside, deliciously rich and moreish, chocolate-smothered Belgian Waffles. The perfect accompaniments to a hot cup of tea or coffee on a Spring afternoon. On top of all that, this gift basket also contains a selection of crisps and pretzels and chocolate peanut buttercups. Guaranteed to go down a treat this Easter!
