### Details

The Easter Picnic Polishing's Basket is a truly delightful Easter gift that encapsulates the true essence of Spring. This beautifully presented, white, wicker basket contains everything you need to accompany an Easter picnic or afternoon-tea on a sunny Spring afternoon. Filled with a carefully selected arrangement of exquisite Easter delights for two people to enjoy, either in the fresh Springtime air or in the comfort of their home this Easter. The Easter Picnic Polishing's Gift Basket contains not one but two award-winning, hand-cooked jams by Brownlee's. A small artisanal producer located in the heart of Ireland. Our next addition has won the hearts of just about everyone who's tasted it, past customers and even our own staff included! This deliciously moreish chocolate fudge cake is perfect for sharing (but try telling that to our director)! The Easter Picnic Polishings Gift Basket also contains mouth-watering Honeycomb bars from Holmes Bakery and Chocolate Chip Oat Cookies from Killbeggan Bakery. Perfect served alongside a hot cup of tea or coffee. So, remember to pack your Thermos! Of course, no Easter gift would be complete without the epitome of Swiss excellence in the form of handcrafted golden bunnies by the master chocolatiers of Lindt. For further indulgence, we've added a beautifully presented powderpuff style box of Butler's Chocolate Truffles. Described as little pieces of happiness, this box of Milk Chocolate Flake Truffles captures the art of good taste, beautifully combining milk chocolate and hazelnut. A delightful little treat for two people to share. To wash it all down we have included two award-winning bottles of Luscombe Fruit Crush. Made with fresh fruit blends and Devon spring water these sophisticated glass bottles contain no artificial colours, flavour enhancers or preservatives. So, you can rest assured your lucky recipients are only getting the best of the very best.
