Details

Easter is one of the few times a year that truly awakens our inner child. Which is why we have created the Easter Break Basket. Our aim was to tap into that feeling of warmth and nostalgia that we get when we think of Easter's gone by. Designed with a student, teenager or snack-loving, cupboard raider in mind. It is filled with a mouth-watering array of Easter goodies. Starring the epitome of Swiss excellence in the form of a hand-crafted golden bunny and a chocolate Easter Egg by the master chocolatiers of Lindt. The typical Easter gift would stop there but at Baskets Galore we say less is never more! Especially when it comes to hungry students, teenagers and seasoned snackers. So, the Easter Break Basket also includes a warm and homely, Great Taste Award Winning, Sticky Toffee Pudding Mug Cake Mix by BakedIn. The quickest and easiest way to bake a delicious homely treat with no stress and no mess. So don't worry if your recipient hasn't quite got in touch with their inner Mary Berry in the baking department just yet! Next, we've added another dash of luxury, with Ireland's very own Skellig's chocolate. First developed in a small family kitchen, this is now a truly sophisticated brand. From the packaging right down to the flavour combinations. So, who knows! After their sticky toffee pudding sparks a culinary adventure and they end up with an award-winning company, they will look back on this very gift basket and thank us – I mean, you! - for their achievements! The Easter Break basket also includes chocolate buttons, crisps, pretzels, and delicious peanut butter cups. To finish things off, the Easter Break basket also includes vegan-friendly, sugar-free, junk-free and shamelessly tasty Tangy Worms by Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. So as you can see, loaded with the best of the best, the Easter Break Basket truly elevates snacking to a whole new level. A guaranteed hit!
