Details

We know that the humble Chocolate Egg is the traditional gift of choice at Easter time but at Baskets Galore we say, why be predictable when you can be exceptional! We say, less is never more. So why gift an egg when you can gift an egg and then some! The Easter Lions Piccadilly Gift Basket is one of our top-selling Easter gift baskets each year. So with a little revamp, it is back and better than ever. This is truly the perfect Easter gift for a couple or family this Easter time. This beautifully presented wicker hamper, is bursting with an incredible selection of Easter delights. Staring with a true style icon, featured in British Vogue, Italian Grazia and has even been approved by Dolce & Gabanna and Vivienne Westwood. Pandora Bell is a female-owned confectionery show-stopper. These vegan-friendly, fruit jellies are hand-made delights, bursting with all-natural ingredients and made with 70% fruit pulp. And of course, no Easter gift would be complete without the epitome of Swiss excellence in the form of not one but two chocolate Easter eggs and hand-crafted, golden bunnies by the master chocolatiers of Lindt. Next, we combine a deliciously indulgent chocolate fudge cake with freshly baked chocolate enrobed shortbread, Honeycomb bars and chocolate smothered Belgian waffles. The perfect accompaniments to a hot tea or coffee on a Spring afternoon. The Easter Lions Piccadilly Gift Basket also contains multi-award winning gourmet popcorn from Joe & Seph's and award-winning, double chocolate marshmallows from Mallow & Marsh plus much more. The Easter Lions Piccadilly Gift Basket also contains a number of nibbles, ideal for sharing. So whatever your taste and preferences may be. We believe this basket contains something for the whole family to enjoy!
