Details

Thinking of an appropriate gift to send someone who is recovering from an illness or operation can sometimes be a tricky task. However with our new range of Get Well Hampers we have made it easy for you. Our Get Well Hampers are perfect for sending when you want to send a thoughtful gift but are not quite sure what to send. It is packed with lots of healthy and delicious treats to help the recipient get well soon. The essence of our new eat well get well hampers is focusing on good food to aid recovery. There are many benefits to eating healthily on the body, the mind, and the soul. When we know the clear benefits of good food, it would be silly not to tweak our diets! Our get well hampers are popular gifts bought by friends, family and colleagues to send some happy thoughts and good vibes to the patient. Eat Well Get Well Hampers are ideal for someone who is conscious of what goes into their diet but still enjoys tasty snacks. When we are unwell we can sometimes lose our appetite and become more frail, to avoid this our get well hampers are packed with lots of healthy delicious treats to snack on and enjoy throughout the course of the day. Within this Get Well Horizon Hamper there is a great selection of healthy snacks to feed the mind and the body, such as ethical chocolate, chocolate covered nuts as a source of energy and protein, healthy lentil crisps and a large bottle of coconut water to replace vitamins in the body. We also included the ultimate get well drink of apple juice to accompany the delicious treats. This Get Well Horizon Hamper has been wrapped up in a peaceful blue colour to bring peace, love and happiness to the recipient. Thanks to the versatile range of products and colours within our Get Well Hampers, they are unisex and therefore would be suitable for anyone who needs a pick me up gift. Sending one of our Get Well Hampers is more than just sending a basket of food treats, it is sending a thoughtful gift to let someone know that they are in your thoughts. We believe our Get Well Hampers do just that.
