Details

Our New Home Range includes an abundance of teas and coffees, the perfect mix of delicious treats, and a beautiful selection of non-food items to welcome the recipients into their new home. Each new home gift also contains a decorative East of India home ornament. If someone you know has just moved house, you may be looking for the perfect housewarming gift to make them feel welcome in their new home. Luckily, here at Baskets Galore, we have you covered with this New Home Welcome Gift. Tea and Coffee are essential to making us feel welcome and for that reason, we've included the finest tea and coffee options in this new home gift. The SD Bell City-roasted coffee bags work exactly the same way as a tea bag. Stick one in a mug, add boiling water, leave it to brew and you're good to go! Of course we know that a cup of tea or coffee is not complete without a biscuit or a slice of cake. This housewarming gift features chocolate covered caramel slices, Irish Oat Cookies and a freshly baked chocolate cake. All of these products are made by small artisan producers and are of the highest quality. On top of this, we've included a number of dark chocolate treats, perfect for sharing around or scoffing to yourself after a long day of unpacking. The candle and diffuser will help to add that all-important new home scent, and the decorative East of India home ornament will be cherished by the recipient for years to come. The neutral tones throughout this basket help to create a warmth that is so crucial to any new home, while the green ribbon and gift card signify new beginnings. Whether it be for a first-time buyer, a family of 5 or someone relocating to a new country, this new home gift is sure to go down a treat.
