Details

Our New Home Range includes an abundance of teas and coffees, the perfect mix of delicious treats and a beautiful selection of non-food items to welcome the recipients in to their new home.If someone you know has just moved house, you may be looking for the perfect gift to make them feel welcome in their new home. Luckily, here at Baskets Galore, we have you covered with the Flavours and Scents New Home Gift. Tea and Coffee are essential to making us feel welcome, whether it be in our own home or in someone else's. That's why we made sure to include only the finest of it in this Flavours and Scents New Home Gift. In addition to a Classic Belfast Brew, we've included a selection of city-roasted coffee bags. These coffee bags work in exactly the same way as Tea Bags- Stick them in a mug, add hot water, leave it to brew and you're good to go. Of course, it would be rude of us not to include a gorgeous variety of baked goods, suitable for sharing at the housewarming, but most importantly, suitable for dunking. From chocolate-covered caramel fingers to Irish oat cookies, this new home gift has you covered. This new home gift contains a delicious selection of snacks, both savoury and sweet. For those with a sweet tooth, we've included champagne truffles and a rich dark chocolate bar while those who prefer savoury will love our lemon and rosemary olives. As the name suggests, there are strong flavours coming through whether it be lemon and rosemary, salted caramel or dark chocolate, the recipient certainly won't be disappointed. To top it off and to add a much needed new home scent, we included a cinnamon reed diffuser. The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
