Details

Our New Home Range includes an abundance of teas and coffees, the perfect mix of delicious treats, and a beautiful selection of non-food items to welcome the recipients into their new home. If someone you know has just moved house, you may be looking for the perfect gift to make them feel welcome in their new home. Luckily, here at Baskets Galore, we have you covered with the Artful and Aromatic New Home Gift. A cup of coffee is essential to making us feel at home, so we've made sure to include only the finest of it in this Artful and Aromatic New Home Gift. Of course, a cup of coffee is not complete without a biscuit or a slice of cake. For that reason, we've added chocolate-covered shortbread and a freshly baked chocolate cake, perfect for dividing up at the housewarming or scoffing alone after a long day of unpacking! All of our baked goods are made by local artisan producers, so they are nothing but the highest quality. This beautifully designed housewarming gift is full of chocolate treats that will help to ease the transition to the new home, and relieve some of the stress the recipient may be feeling. To top it off, this housewarming gift includes a gorgeous scented candle which comes presented in a Home Sweet Home tin- we think this will look perfect on the mantelpiece. The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
