Details

You can wish health and wellness upon someone sick, but you can also send them a Get Well Soon Brobdingnagian filled with the same sentiments and more. Good food plays a huge role in our health and well-being, with that in mind we have curated a giant get well gift basket packed with healthy treats to snack on over the coming weeks on the recipients road to recovery. This gorgeous Get Well Soon Brobdingnagian has an assortment of healthy unique food treats such as vegan chocolate butter cups, a jar of Spanish figs, hazelnut butter and more. Of course we include traditional treats too such as organic cookies, plant based gummies and lots more. The importance of vitamins in our diet is very important also, and for this reason we have included a fruit pack of oranges and apples as a true source of vitamin C. There is also a traditional get well drink of apple juice, coconut water, and organic tea. There is also some beautiful mindful entertainment such as a well-being book and an adult colouring book with pencils. Did you know that adult colouring reduces stress, worries, and naturally calms the brain? The recipient will be feeling extra relaxed after doing some colouring, having a cup of tea, and a healthy snack. The predominant blue colours within this gift basket bring a sense of peace and serenity to the recipient, after unpacking their gift and rummaging through the snacks and some reading, they will be feeling zen without a doubt!
