Details

Our new Welcome Event Hampers include a delicious selection of snacks to be shared around the office, at an event, or enjoyed by individuals working from home. Each basket also contains an East of India item to provide an extra element of personalisation. We know that tea and coffee are essential for any work event, whether it be virtual or physical. For that reason, in this Welcome All Hamper, we've included green tea and a selection of SD Bell City-Roasted Coffee Bags- a quick and easy way to get your caffeine fix. The Coffee Bags work exactly the same way as teabags- stick them in a mug, add boiling water, leave it to brew and you're good to go! We selected green tea as it induces calm but still gives you that little bit of a boost that you need to get through the working day. Any tea break is not complete without a biscuit or a sweet treat. This Welcome All Hamper features a gorgeous selection of baked goods from Irish oat cookies to honeycomb slices and more. All of these treats are made by local artisan producers and are perfect for sharing. On top of this, we've included an AWAKE Candle- this reviving fruity floral scent is sure to lift spirits and boost motivation. We've completed the basket with a beautiful East of India frame. It comes printed with an encouraging message and would be a great addition to any desk or workspace. We designed this basket using a blue colour scheme as it helps to induce calm and create positivity- exactly the ingredients you need wherever you may be working from.
