Details

Our new Welcome Event Hampers include an abundance of snacks to be shared around the office, at an event or enjoyed by individuals working from home. Each basket also contains an East of India item adding an element of personalisation. Tea and Coffee are essential to any work event, which is why we have included an abundance of it in our Welcome Gift Basket. This basket contains a double helping of tea. We've included Green Tea, which can help to induce calm but still give that little energy boost that we need to get through the working day, and of course you can't go wrong with a classic Breakfast Brew. On top of this we've included a selection of city-roasted coffee bags. They work exactly the same way as tea bags- stick them in a mug, add boiling water, let it brew and you're good to go. A quick and easy way to get your caffeine fix! Of course tea and coffee must always be paired with a biscuit suitable for dunking, which is why we've included caramel fingers, honeycomb slices and Irish Oat Cookies- all perfect for sharing around, or keeping to yourself. This Welcome Gift Basket contains plenty of snacks to suit all tastes. For those who prefer savoury, we've included crisps, olives, and seaweed thins, but for those with a sweet tooth, there are jelly sweets, chocolate covered popcorn and caramel buttons. We designed this basket to exude positivity and the bright colour scheme really helps to do this. The uplifting and encouraging tone is something that is so important in any workplace or work environment. There are strong, fruity flavours throughout in the form of jelly sweets, and two refreshing sparkling lemonades. The basket is completed with an East of India Frame, printed with an encouraging message, a perfect addition to the desk or workspace.
