Details

Our new Welcome Event Gifts include an abundance of snacks to be shared around the office, at an event, or enjoyed by individuals working from home. The Welcome Event Gift contains an abundance of sweet and savoury snacks, perfect for sharing and suitable to all tastes. For those savoury lovers, we've included chilli and oregano flavoured olives, habanero chilli corn and crispy seaweed thins. These bold flavours are bound to cause a stir in the office! For those with a sweet tooth, we've included a double helping of jelly sweets alongside a refreshing apple flavoured sparkling lemonade and a bag of chocolate-covered popcorn. Of course, tea and coffee is an essential for any work event. In addition to a classic Breakfast Tea, we've included a selection of city-roasted coffee bags. These coffee bags work exactly the same way as teabags. Stick them in a mug, add water, leave it to brew and you're good to go! To pair with a cup of tea or coffee, we've also included a selection of baked goods, all made by local artisan producers meaning they are nothing but the best. This gift is completed with the inclusion of awake oil- this stimulates circulation, energises the body, and refreshes the senses meaning the recipient will be ready to face the day ahead, no matter what it may bring! The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
