Details

Our new Welcome Event Gifts include an abundance of snacks to be shared around the office, at an event, or enjoyed by individuals working from home. We know that tea and coffee are essentials for any work event, which is why we've included only the best of it in this Welcome Connections Gift. In addition to green tea, we've included city-roasted coffee bags. These coffee bags work exactly the same way as teabags- stick them in a mug, add hot water, leave it to brew and you're good to go. A quick and easy way to get your caffeine fix. To pair with a cup of tea or coffee, we've added in plenty of baked goods, from shortbread to caramel fingers. This Welcome Connections Gift contains a delicious selection of treats. For those with a sweet tooth, we've included jelly sweets and a refreshing clementine flavoured sparkling lemonade, for chocolate lovers we stuck in some caramel buttons and peanut butter cups, and for those who prefer savoury we added in some cheddar and onion crisps. This Welcome Gift truly has it all. It is completed with the inclusion of an East of India Lighthouse Frame, printed with an encouraging message, the perfect addition to any desk or workplace! The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
