Details

Our new Welcome Event Gifts include an abundance of snacks to be shared around the office, at an event, or enjoyed by individuals working from home. Tea and Coffee are essential for any work event, so we made sure to include the finest selection of them in our Corporate Welcome Gift. In addition to a Classic Breakfast Tea, we've included city-roasted coffee bags. These coffee bags work exactly the same way as teabags- stick them in a mug, add water, let it brew and you're good to go. Of course, no cup of tea or coffee is complete without a sweet treat so we've included a gorgeous variety of baked goods from honeycomb slices to oat cookies, you won't be short of a biscuit to dunk! This Corporate Welcome Gift contains a delicious selection of chocolate treats from double chocolate marshmallows, chocolate-covered coconut, and chocolate hazelnut butter cups- and this is just the tip of the iceberg when it comes to the chocolate in this gift. For those with a sweet tooth, we've included a bag of jelly sweets while those who prefer savoury will enjoy the salt and vinegar crisps. This gift is completed with the inclusion of a pocket-size notebook, perfect for jotting down ideas at a business meeting, or conspiring over a coffee break with a colleague! The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
