Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch for those far away, or simply to give someone close a pick me up. All of our Best Wishes baskets contain an abundance of premium teas, coffees and baked goods, as well as a beautiful East of India item to provide an element of personalisation. This Wishes from Afar Gift contains Earl Grey Tea and a box of City Roasted Coffee Bags. These Coffee Bags work exactly the same way as teabags- stick them in a mug, add boiling water, leave it to brew and you're good to go! Here at Baskets Galore, we know that a cup of tea or coffee is not complete without a biscuit or a slice of cake. For this reason, we have included a delicious selection of baked goods from chocolate-covered caramel fingers to Irish Oat cookies, as well as a freshly baked chocolate cake. All of these treats are supplied to us by local artisan producers and are nothing but the highest quality. To provide an element of personalisation, we have included a With Love Candle and a beautiful thoughts pocket-size notebook, perfect for lists, doodles, and happy thoughts. The Wishes from Afar Gift would be perfect for any occasion or sentiment and will be well received by anyone who loves a sweet treat. The purple colour scheme provokes feelings of relaxation, calm,and comfort, which is further enhanced by the inclusion of the candle, the sleep oil, and a delicious selection of chocolate treats. A cup of tea, biscuits, cake, and a candle will provide the most relaxing of evenings for your recipient and give them a boost no matter their mood!
