Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch with those far away or simply to give someone close a much-needed lift. All of our Best Wishes Gifts contain an abundance of premium teas, coffees, and baked goods, as well as a beautiful East of India item to provide an element of personalisation. This Wishful Thoughts Gift is filled to the brim with treats guaranteed to make someone's day. We've included a double helping of tea, as well as rich city-roasted coffee bags- a quick and easy way to get your caffeine fix. These coffee bags work exactly the same way as teabags- stick them in a mug, add boiling water, let it brew and you're good to go. In this basket, we went for Green Tea and Cardamom Chai. These tea's are not only delicious, but both teas can help to boost your energy and lift your spirits. Of course, no cup of tea or coffee is complete without a biscuit or a sweet treat, so we've included gorgeous buttery Irish shortbread, Irish Oat cookies and a freshly baked chocolate cake, all made by local artisan producers. To mix it up, we've added in a Sticky Toffee Mug Cake Mix- a quick and easy way to make this classic delicious dessert, without the stress and without the mess. On top of this, the Wishful Thoughts Gift is filled with a wide variety of delicious snacks from pretzels to fudge, and crisps to jelly sweets. There really is something for everyone. To add a little bit of character to this basket, we've included an East of India Beautiful Thoughts notebook. It's pocket-size and can be used for to-do lists, poems, doodles, or even just happy thoughts- It truly completes this basket. We designed this gift to be positive and uplifting, so with that in mind we chose a yellow and green colour scheme. There are fruity vibes throughout in the form of jelly sweets, chocolate-covered mango and sparkling lemonades, making this gift perfect for anyone with a sweet tooth.
