Details

Our new Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch with those far away or send someone close a little bit of comfort. The Hugs, Kisses and Best Wishes Gift is filled with premium tea and coffee, an abundance of baked goods made by local artisan producers, and a beautiful matchbox message that the recipient can cherish forever. The Hugs, Kisses and Best Wishes Gift has been carefully designed to ensure it provides the element of comfort and relaxation that the recipient will so desire. We included Earl Grey Tea- proven to reduce stress, calm nerves and turn around a bad day. There's a double helping of chocolate biscuits (ideal for dunking) and a gorgeous Patchouli and Tibetan Musk scented candle, creating the perfect combination for a night in. For those who prefer coffee, we've included some city-roasted coffee bags. They work exactly the same way as teabags- stick them in a mug, add boiling water, let it brew and you're good to go. For the chocolate lovers out there, there's a chocolate brownie mug mix and some chocolatey hazelnut spread- not to mention the freshly baked chocolate cake. We also made sure to include some chocolate-covered mango, and a bag of jelly sweets so those with a sweet tooth will also love this gift. And also, there's fudge- who doesn't need fudge every once in a while? The Hugs, Kisses and Best Wishes Gift Basket has a purple and pink colour scheme, provoking feelings of comfort and self love- something we all need a little more of!
