Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch with those far away, or simply to give someone close a pick me up. This Just Because Gift is filled with premium tea and coffee, an abundance of baked goods made by local artisan producers, and a beautiful matchbox message that the recipient can cherish forever. You don't always need a reason or an excuse to treat those you care about. This Just Because Gift is designed for those exact occasions. It is filled with a premium selection of tea, coffee and baked goods, including a freshly baked chocolate cake. Green tea provokes a calming feeling, but also boosts our mood, so we felt it was an important inclusion in this gift. The Coffee Bags we've included work exactly the same way as Tea Bags- stick them in a mug, add boiling water, let it brew and you're good to go. A quick and easy way to get your caffeine fix. We also included a wide variety of snacks, both savoury and sweet, suitable for all tastes and for any occasion. Our gorgeous With Love candle will help to provide an important element of relaxation, while the matchbox message is something the recipient can hold on to for years to come. There are strong fruity flavours throughout in the form of jelly sweets and sparkling lemonades, but we've made sure to include a gorgeous selection of treats for those chocolate lovers out there. Double chocolate marshmallows, chocolate covered chickpeas and chocolate caramel buttons are just some of the chocolate goodness we've included in this gift. When designing this gift we wanted to ensure it was perfect for any occasion, and not specific to any one recipient. We included a wide variety of snacks, not tailored to any one taste, making this basket versatile and the perfect excuse to spoil those you love.
