Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch with those far away, or simply to give someone close a pick me up. This Best Wishes Gift is filled with premium tea and coffee, an abundance of baked goods made by local artisan producers, and a beautiful matchbox message that the recipient can cherish forever. If you know someone who deserves a treat, then you don't need to look any further than this Best Wishes Gift. This gift is filled to the brim with chocolatey goodness- from chocolate-covered popcorn to chocolate-covered caramel fingers, and chocolate hazelnut spread (not to mention, the freshly baked chocolate cake!) Of course, we made sure to include a double helping of tea and a box of city roasted coffee bags. These coffee bags work exactly the same as teabags- stick it in a mug, add water, let it brew and you're good to go! On top of this, we've included an abundance of snacks, both savoury and sweet, as well as some biscuits suitable for dunking! To enhance the element of relaxation and comfort, we've included a gorgeously scented With Love candle, sleep oil, and wax melts. If that doesn't encourage the recipient to slow down and take a minute then I don't know what will. This basket is completed with a beautiful thoughts notebook, perfect for jotting down reminders, thoughts, lists, or doodles, as well as a matchbox message that they can cherish for years to come. We designed this basket to suit any occasion or any recipient. We think it would be the perfect gift to encourage someone to slow down and take some time for themselves but with such a wide variety of goodies inside, it will be well-received by all.
