Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch for those far away, or simply to give someone close a pick me up. All of our Best Wishes boxes contain a selection of premium teas, coffees and baked goods. The Best Wishes Reviving Hamper Gift is designed to do exactly what the name suggests. We've included chai cardamom tea which is said to have numerous health benefits, and it contains the perfect balance of black tea to help wake you up in the morning. For those who want a quick and easy caffeine fix, we've added in some SD Bell Coffee Bags. These coffee bags work exactly the same way as teabags- stick them in a mug, add water, leave it to brew and you're good to go. Those with a sweet tooth will be well satisfied with this Best Wishes gift as it contains jelly sweets, chocolate-covered mango, and a refreshing clementine flavoured sparkling lemonade. For those who want a night in, we've included a sticky toffee mug mix- a quick way to make this classic dessert without the stress and without the mess. Of course, we've included some biscuits perfect for dunking too. This box is made complete by the inclusion of sleep oil. Sleep oil helps to clear the airways and balance the mind, leading to a better nights sleep all round. With a good nights sleep, and cup of the highest quality tea or coffee, the recipient will certainly be feeling revived and ready to take on the world!
