Details

Our New Best Wishes Range was designed to bridge the gap between you and your loved ones. They can serve as a means of keeping in touch for those far away, or simply to bring someone close a little comfort. All of our Best Wishes boxes contain a selection of premium teas, coffees, and baked goods. The Best Wishes Comforting Hamper Gift is designed to do exactly what the name suggests. Maybe someone you know is having a down day, or maybe they've had a hard few weeks- we all need a little comfort here and then, which is exactly what the box is here to do. Nothing brings us more comfort than a cup of earl grey tea- not only does it reduce stress and calm our nerves, but it also gives us a little mood boost when we need it most/ We've included a helping of it in this gift box, alongside some city-roasted coffee bags. These coffee bags work exactly the same way as teabags- stick them in a mug, add water, leave it to brew and you're good to go. A quick and easy way to get your caffeine fix. Of course, we've included some biscuits (perfect for dunking) made by local artisan producers, so they're of the highest quality. We've also gone big on the chocolate in this gift. From double chocolate marshmallows to chocolate-covered chickpeas and even chocolate hazelnut spread, chocolate lovers will be more than satisfied with this Best Wishes Gift. Not to mention, the chocolate brownie mug mix. This will allow the recipient to whip up some chocolate brownies without the stress and without the mess. What more could you want? This gift is completed with the inclusion of a gorgeous matchbox message, which is something the recipient can hold on to for years to come. Maybe they'll keep it beside their bed, or maybe they'll carry it round as a reminder. Either way, this gift box is guaranteed to be well received. The box comes gift wrapped in hand-tied ribbon and includes a gift card with a message of your choice.
