Details

We have scoured the corners of the Emerald Isle to create a range of hampers that are from only-Ireland. In our all new Emerald Ireland hampers you will find products that come from only-Ireland. We are proud to be able to deliver hampers with a tasteful selection of Irish produce, direct to the recipient. We made it our mission to select only the highest quality, favourite products in our only-Ireland Emerald hampers, creating a balanced mix between Ireland's favourite sweet and savoury products. On the sweet front, knowing that chocolate cake is a staple in hampers we made sure to include a freshly baked chocolate cake that we always receive amazing reviews about, and included a variety of chocolate's from Ireland's finest chocolatiers. With cheese being a large product of Ireland, there is a 200g cheese round in our 100%-Ireland hampers, accompanied by an Irish farmhouse chutney, and Irish oatcakes. It is well known how tea is the favourite drink of Ireland and so we included a box of tea bags to be enjoyed with many of the snacks in this hamper. The produce within our only-Ireland Hampers are traditional, well loved favourites by all of Ireland. We made sure not to include any items which stray too far from the classic views of a hamper, meaning this gift can be enjoyed by everyone. Our only-Ireland hampers are an ideal size to be enjoyed by a small group of people like a family, yet they are not too grand to be enjoyed by an individual who would enjoy the favourite tastes of 100% only-Ireland. This Irish hamper has a strong green theme running through it to emphasise the Irishness of the product, we deliberately choose green coloured packaging and a beautiful green satin bow to finish off the product. The beauty of the colour green is synonymous with Ireland, shamrocks, leprechauns, and emeralds. How could anyone not see the beauty in our new favourite Emerald Irish Hamper! Sourced from only Ireland's favourite suppliers we have complied a selection of only the best items to create not a basket of goodies, but a perfectly blended present. The beauty of this hamper is that it can be sent for any occasion. Whether that be birthday, celebration, or thinking of you. It is suitable for all and no matter the occasion everyone enjoys a little indulgence.
