Details

We know that the humble Chocolate Egg is the traditional gift of choice at Easter time but at Baskets Galore we say, why be predictable when you can be exceptional! We say, less is never more. So why gift an egg when you can gift an egg and then some! So if you're looking for the ideal Easter gift for a couple this Easter, then look no further. The Easter Lions Waterloo Gift Basket has proven itself to be extremely popular over the past few years. So with a little revamp, it is back and better than ever. Filled with an incredible selection of Easter delights. This beautifully presented wicker basket pairs a rich, full bodied bottle of red wine and a luxurious bottle of prosecco for that extra POP! With the epitome of Swiss excellence in the form of two golden chocolate eggs and a hand crafted golden bunny, by the master chocolatiers of Lindt. Let's face it, no Easter gift would be complete without Lindt. Next, we've added a deliciously indulgent chocolate fudge cake by The Original Cake Co. Perfect served cold but even better served hot with a dollop of clotted cream. The Easter Waterloo Basket also contains chocolate covered pretzels, Chocolate Ballers, peanut butter cups and a selection of crisps. Each of which are perfect for nibbling and sharing together. Making it is the perfect centrepiece for a relaxing Easter Evening for two.
