We made it our mission to select only the highest quality, traditional products in every Emerald Irish hamper, creating a balanced mix between sweet and savoury products. The Emerald Wicker Treasures Chest is filled with 100% Irish goodies in a traditional close lidded wicker hamper. Emerald pure-Ireland hampers include only the highest quality of chocolates from Ireland's finest chocolatiers, along with baked good such as cake, chocolate enrobed shortbread, and other savoury snacks. There will be something for everyone in our wicker treasure chest of pure-Ireland goodies, the wicker hamper is suitable for being shared in a small group of people yet we rarely say a hamper is too grand to be enjoyed by an individual. There are plenty of snacks within to graze over for days within this treasure chest of goodies. Our pure-Ireland wicker hampers have a predominant green theme flowing through the products, with hints of golden and creams. The beautiful combination of colours symbolises the Irishness of the product, finalised with a dark green satin bow. The beauty of the colour green is synonymous with Ireland, shamrocks, leprechauns, and emeralds. How could anyone not see the beauty in our pure-Ireland wicker hampers! Sourced from only the best Irish suppliers we have complied a selection of only the best items to create not a basket of goodies, but a selection of perfectly blended gift hampers.
