Details

Christmas is a wonderful period to spend time with loved ones who you might not normally get to see. During the holiday season we are constantly encouraged to be joyful and spread Christmas cheer. There are many ways to do this. But personally we think the best way to spread Christmas cheer is by sending the Angelic Array Duo Hamper. In summer 2021 we began creating our new hampers for Christmas 2022. We created the Angelic Array Duo with a selection of new products, along with traditional Christmas Fayre such as a rich Christmas pudding, luxury mince pies, chocolate yule log, and spiced apple cake. What's so special about the Angelic Array Duo is that it includes two bottles of wine. One red and one white to create a true convivial atmosphere during the Christmas period. There are bright, warm colours flowing through this hamper. The reds, yellows, greens, and purples add true heart-warming sentiments to the hamper, bringing joy to wherever it is sent. You can be sure that the recipient of this hamper will experience an Angelic Array upon opening the box, reading their personalised gift message from you, unpacking, and sampling the layers of goodies tucked away inside. This gift arrives in one of our brand new Great Taste Branded ECO-paq. As you can see from the picture these boxes look absolutely fantastic. Practical, modern, slick and yet still full of character, they add so much to our Christmas Gifts. When the recipient has devoured all of the amazing contents inside, they can reuse the box time and time again. It truly is a gift in itself!
