For those shoppers who are not constrained by price, our Birthday gifts are the perfect option. Priced at over £100, we have created a range of high quality Birthday gifts, including tasty birthday treats the recipient is unlikely to have sampled before. Our Birthday gifts are on the more expensive side, however the reaction of the recipient is totally priceless just to see the smile on their face. Our Birthday gifts have been created around one main focal point: quality. Quality is a must for us at Baskets Galore, and we pride ourselves on producing high quality Birthday gifts you can rely upon. Aside from the individual products themselves looking bright, fun and playful, they also taste amazing. With an abundance of chocolate treats inside each of our Birthday gifts, the recipient will have enough snacks to put on a party themselves! This range of Birthday gifts was created for 18-35 year olds, however it is not exclusive to that age group. It is targeted towards someone who is fun, playful and imaginative. The combination of bright colours, fun snacks such as chocolate marshmallows, chocolate popcorn, a mouth-watering chocolate birthday cake and lots more, it feels like a real celebration upon opening. Our Birthday gifts arrive in a large white basket, a beautiful keepsake from your exciting gift. Inside our Birthday gifts you will find a playful toy puppy which is a perfect addition to the gift for all dog-lovers and dog-owners. The soft toy adds an extra dimension of personality to the gift by appealing to the inner child in the recipient. All of the elements of our Birthday gifts combined together create a high quality, superb tasting, personal gift.
