It just works - with every single person we could think of, the capacity to create their perfect Birthday Gift Basket, thoughtfully personalised with reading material associated with their interests or hobbies and knowingly identified by you was obvious. We predict Young Men, Mature men and Gentlemen to appreciate this Gift Basket, but it could just as easily appeal to a woman who appreciates bold, classical premium rich colours. The key attributes are the importance of receiving a professional premium finish product, something which is brand quality, the visual coordination and the sheer choice and suitability of its application. Essentially if these Birthday Gift Baskets could be compared to an international brand that we are all familiar with, it would be Volkswagen in that they simply do everything precisely, a premium feel without the premium pricing.
