Details

The Burning Brightly gift basket is our modern take on the coffee and cookies gift basket, sitting pretty in the middle of our brand new range of tea and biscuits gifts to bring you even more choice when choosing your special gift basket. Just imagine that lazy Sunday morning, you brew your coffee using the award winning Bró luxury ground coffee, pop a stroopwafel on your cup to melt the delicious caramel filling, and then you sit back, relax, and enjoy your well earned easy morning vibe. We've filled this gift basket with perennially popular treats that have stood the test of time, and added in some choice picks from our new favourite producers, specially selected and (extensively) taste tested just for you. Choose from a delicious variety of biscuits, with buttery Irish oat cookies from a local farmhouse producer, miniature Swiss biscuits for bite size treats, and chocolate dipped shortbread to cap off this biscuit platter. Our in-house design and crafting allows us to ensure every gift basket that leaves our doors is a bespoke piece, carefully packed to reach the critical balance of visual impact upon arrival, whilst still staying safe and secure as it makes it's way to it's lucky recipient's door. This full control over our process means nothing leaves our basket building benches until we are 100% satisfied that this is a gift basket we ourselves would be delighted to receive. Perfect for the coffee lover, the biscuit cruncher, and the chocolate muncher, you know exactly who would truly appreciate the energising and exciting Burning Brightly Gift Basket.
