Quick Overview

Our Tea and Biscuits Gift Basket was one of our fondest and earliest creations when we started Baskets Galore. The updated version for the modern age reflects how we have approached our role in the gift basket industry. It's the same price, has more contents and carries through the professional quality of presentation that we've developed over our years of experience.

Details

The Tea and Biscuits gift is the epitome of the traditional Tea and Biscuits gift basket (as the name would suggest). Honed and refined by years of experience and feedback from repeat customers into the quintessential tea and biscuits experience. We don't believe that you should have to make sacrifices in order to get the gift basket of your dreams, that's why we don't use "snack" sizes of any of our items, or include any products that our team of experienced gift basket makers haven't agreed they would be delighted to receive or send to their own family and friends. All our gift baskets, from the smallest gift box to the biggest hamper, get the star treatment, with beautiful silk bows, professional shrink wrapping to protect it during transit, and carefully packed in eco-friendly packaging to ensure delivery is prompt and painless. Of course, the critical products in a tea and biscuits basket are, of course, the tea and biscuits! Our boutique suppliers at NEMI produce beautiful tea that we're certain will delight with its delicate scents and deep flavour, making it the perfect accompaniment to any of the delicious biscuits sitting alongside it in this gift basket. Speaking of which, we're certain even the pickiest eaters will find a biscuit to enjoy from the variety we've assembled as part of our Tea and Biscuits gift basket, from farmhouse oat cookies, to a Swiss bitesize biscuit bag, and even decadent chocolate enrobed shortbread from artisan Irish producers. Of course, tea and biscuits are all there, but there's also delicious chocolate dipped apple sticks, caramel stroop waffles, a luxury hot chocolate, and so much more, so everyone will be able to find their favourites when they receive the Tea and Biscuits gift.
