Details

We all have those friends or family members who are real head scratchers when it comes to gifting. Conveying your feelings, be they of joy or sorrow, is always a delicate and time-consuming process. Our ultimate goal is to be the sun that burns the fog away from your gift-buying problems, by providing you with an array of simple, yet elegant gift baskets. With that in mind, we'd like to present Chocolate Mania, the first entry to our new range of gift baskets, refreshed and ready to be sent to delighted recipients all over UK, Ireland, and the rest of Europe. The key to a good gift basket is an array of delicious treats to delight and intrigue, things to snack on in front of the TV, and share with friends and family over a cup of tea, and we've included these items in truckloads, with blissfully light chocolate coated apple sticks to deeply indulgent and epicurean truffles. The Chocolate Mania gift basket stands apart from the crowd with it's delicate balance of sweets to awaken the inner child in all of us, and mature deep flavours to indulge in with a glass of the premium wine. The Chocolate Mania gift basket arrives professionally gift wrapped, with a satin bow to add that touch of fanfare, with your delicious gifts sitting in a fabric lined wicker shopping basket, sourced from sustainable suppliers. We believe even the simple act of unpacking our gift baskets should be an experience all to its own, with the thrill and intrigue of opening each layer, revealing the chocolaty treats soon to be enjoyed. I'm sure we all know someone near and dear to us who deserves to experience that thrill and surprise of receiving a luxury wine and chocolate gift basket, and we're confident you can trust the Chocolate Mania gift basket not to disappoint.
