The Sweet & Bubbly Gift Basket lives up to its name in that it befits a person of that nature. This Gift Basket is perfect for those special occasions when nothing less will do than bubbles! This Gift Basket contains a full bottle of Prosecco Guerieri Rizzardi, Italy's answer to champagne. We think that the Sweet & Bubbly Gift Basket is perfect for every occasion to celebrate, for birthdays, anniversary, and Christmas especially! As well as the titular bottle of Prosecco that will be sent, you will also receive a range of artisan treats, including a delicious box of Lily O'Brien chocolates, perfect for sharing, or ideal for a very indulgent evening for one. This makes this the perfect gift basket for someone special in your life at a special time in their life. Who doesn't love chocolate? Our chocolate range is one of our throughout the year favourites, and we know why. The box of Lily O'Briens chocolates are incredibly popular, at an incredibly good price point. Matched with the sparkles and this Gift Basket becomes so versatile, suitable for almost every occasion. This is a very popular gift basket, especially around Christmas when the snacks will help to survive those days in between Christmas day and New Years. We are impressed if you know what day it is during that week. The bottle of bubbles is perfect for either Christmas day or save it for New Years night.
