## Details

Never miss another significant event, no matter how large or little. Whether it's a graduation, a new job, or a new baby, go above and above with the congratulations from afar gift basket. What's a celebration without a toast? We have included a bottle of the Italian fizz for the recipient to pop! The recipient will find a variety of chocolate treats in this gift basket, all with various flavours and textures. The Dessert Collection by Lily O'Brien is a decadent box of different chocolates, inspired by the world's most popular desserts, it is one of our favourites. We work hard to provide a one-of-a-kind experience when receiving a gift basket by finding both well-known and lesser-known high-quality brands, so that when they receive their baskets, they may try out new flavours. We also focus on the presentation of the gift basket, to ensure it is packed not only beautiful but in a way that the recipient will enjoy exploring. The gift is presented in a deluxe satin white basket, beautifully gift wrapped with silk ribbon and accompanied by a congratulations greetings card. You can express your congratulations by personalising the gift card, whether you are celebrating in person or from halfway over the world. This basket was created with prosecco in mind, however, we have given the option to select a wine that is more suited to your recipient's tastes. Please choose one option from the drop-down before adding to the basket.
