### Details

Our congratulations gifts are the most distinctive (and tasty) way to congratulate friends (or family members) on their accomplishments. Our gift baskets are lovingly hand-picked and prepared for the occasion, whether they've just passed their driving test, are moving into a new house, or have recently run the marathon. The Friends Congratulations Gift Basket includes an exciting collection of treats and the gift is packed in a way that allows the recipient to explore and discover all the many tasty items included. The first thing they may see will be the freshly baked iced chocolate cake, complete with a congratulations wrapper. Other delicious items include the two forest feast products, the dark chocolate figs, and almonds! A staple in most congratulations gifts is sure to be a bottle of fizz, in the Friends Congratulations gift we have made sure to include the fabulous Italian sparkling wine. Whether or not you are there in person to pop the bottle the recipient will be overjoyed with this gift. This charming basket comes presented in a white shopper gift basket with a stunning silk ribbon and a congratulatory gift card with your own personalised gift message. This basket was created with prosecco in mind, however, we have given the option to select a wine that is more suited to your recipient's tastes. Please choose one option from the drop-down before adding to the basket.
