Details

Congratulations gifts don't have to be limited to the standard cliché of an uninspired and pricey bottle of champagne paired with a box of chocolates. We have the ideal Congratulations gift ideas for each special event that incorporates both celebration and reward. The Friends Congratulations Gift Basket has been curated to put the focus on the quality of the items within without any alcohol so that they may be shared or presented to families, young people, or non-drinkers. With goodies like the Lismore food orange biscuits, Tregroes chocolate waffles, Pandora Bell real fruit jellies, and a freshly baked chocolate iced cake, there are plenty of treats to go around and be enjoyed by everyone. This delightful basket is presented in a white shopper gift basket, wrapped with a beautiful silk ribbon and includes a congratulatory gift card that includes your own personalised gift message. The family-friendly Family Congratulations Gift Basket is the perfect gift to send when celebrations are in order. We personally think this would be a great gift to a family who is celebrating a joint success, this may be a completed project, a new home, recovery from illness, a new baby, or relocation. The alternatives are unlimited, but you can give them a gift of congratulations no matter where you are and celebrate all of life's successes with your friends and family.
