Details

The Quintessential Congratulations Hamper is presented in a magnetic valise hamper case, included in this case is a fantastic bottle of this excellent sparkling Italian wine, as well as a plethora of other delectable delicacies. Whether you're celebrating with friends, family, or coworkers, the sparkling wine adds that fizz to any occasion. We recommend that this gift is sent to someone who appreciates chocolates and biscuits as this basket contains quite the selection, with the freshly baked chocolate cake and Lily O'Brien's dessert collection to the delicious Rhythm 108 swiss lemon biscuits there is so much to enjoy. We have also included a congratulations balloon, we feel that it adds that bit of fun to the gift, and balloons have always been synonymous with celebration. The great thing about our baskets is that they are created with no bias, meaning they can be gifted to any gender, age (of course we recommend this basket to be 18+!), or taste. The flavours have just the right amount of balance and exoticism to be interesting and enjoyable. The colour scheme is mainly yellows and oranges, this grabs the attention of the recipient and sparks joy and happiness. We would recommend sending this gift to someone who is celebrating something joyous, this may be a new job, engagement, graduation, or passing an exam! Whatever the occasion the Quintessential Congratulations Gift Basket is sure to convey your utmost congratulations, whether you are able to celebrate with them in person or afar.
