Details

This Successful Congratulations Gift is the ultimate luxury in congratulation gifts. We strive to ensure that our basket's recipients are determined by the purchaser and not by ourselves, we want you to see the baskets through your own eyes and how they will be enjoyed by the person you are celebrating. We curate by taste not by age or gender. Men and women alike of all ages can enjoy the successful congratulations gift and we think this would be perfect to gift to a couple, a family, or a group of employees. However, it could just as easily be given to spoil a certain individual for their tremendous achievement. This basket contains a wide variety of indulgent treats, the premium exquisite collection by Lily O'Brien is divine, and the soursop native fruit chocolate is a taste sensation like no other. Champagne is symbolic of celebration and Moet is par excellence, which is why we have included it within this gift. When the recipient/s receive and explore this gift, they will feel praised and will relish in their celebration. The lavish Successful Congratulatory Gift is presented in a colossal white wicker basket with silk ribbon and a congratulations greetings card. The greetings card can be personalised by yourself to include a celebratory message.
