## Quick Overview

Gratefully Thoughtful Thank You Gift is meant for those moments when you want to express gratitude but aren't sure how to do it effectively. How many times has a friend or coworker, or even a total stranger shown you generosity? You know they'll turn down any offer of money, so you're looking for a thank-you gift that's personal but not too particular.

## Details

We've spent time curating a selection of thank you presents that both demonstrate the sender's gratitude and are well-received. We wanted to focus on the notion of thankfulness rather than the recipient's gender or age; thanking someone is a universal concept, and our presents should only magnify the sender's gratitude. We envisioned a compellingly desired collection of thoughtful thank you presents that would appeal to individuals of all ages and backgrounds, with no gender bias or stereotyping. This basket is ideal for a coworker because it has everything they need to enjoy an afternoon tea or coffee. This may be an employee in your company who you feel needs to be rewarded or a doctor, nurse, or caregiver who has assisted you or a family member. It could as well be for the teachers, coworkers, and associates who have led us and our children through this difficult time. Simple acts of human charity occur on a daily basis, and thank-you words are frequently insufficient. With our selection of thank you gifts, finding the right thank you gift is no longer a challenge. Gratefully Thoughtful Thank You Gift is everything you need to say an honest 'thank you', with fantastic and delicious bakery goodies, artisan snacks, and exceptional hot drinks. The Nemi Tea is a brand of ethical tea, All their teabags are plastic-free, the packaging is biodegradable and the teas are Organic, Fairtrade and Rainforest-Alliance certified.
