### Details

A gift is a thoughtful way to express gratitude, and a gift basket is a great way to show your appreciation for someone who has gone above and beyond. When designing this gift, we envisioned a younger woman in her twenties, thirties, forties, fifties, or sixties. It might also appeal to a male, perhaps someone who appreciates the serenity and thoughtfulness associated with blue and purple colours, or someone who has their eye on a certain flavour or product inside the HamperGift. This Thank You Gift Hamper includes a delectable selection of complimentary items. The Lily O'Brien Crunchy honeycomb pieces smothered in uniquely delicious milk chocolate and the Forest Feast Mountain Figs are carefully sun-dried to preserve their sweetness and juicy-sweet flavour, then dipped in 60 percent cocoa dark chocolate for delectable pieces of fudgy-chocolatey delight paired with the chocolate cake. With no strong, odd flavours, this Gift Basket should appeal to every chocolate lovers palate, and the bright colours used to pack and adorn it will provide a welcoming appearance that should appeal to all.
