Details

If you're looking for the perfect gift for a family this Easter, then look no further. The Easter Spring Indulgence Hamper is bursting with Easter delights. Guaranteed to bring a smile to everyone's face this Eastertime. This beautifully presented, white wicker hamper contains four, all important, chocolate eggs, because let's face it, no Easter gift would be complete without chocolate Easter eggs. We've included two Cadbury's chocolate eggs for the little or littler ones – a true generational favourite - and two slightly more sophisticated Lindt chocolate Easter eggs for the grown-ups. We have also included the epitome of Swiss excellence, the quintessential Easter bunny, wrapped in golden foil, also by the master chocolatiers of Lindt. The Easter Spring Indulgence Hamper also contains freshly baked Chocolate Enrobed Shortbread and Honeycomb Bars from Holmes Bakery. Perfect accompaniments to a hot cup of tea or coffee on a sunny Spring afternoon. As well as a deliciously moreish chocolate fudge cake. Perfect served cold but even better served hot with a dollop of clotted cream. We've also added multi-award-winning gourmet popcorn from Joe & Seph's and 70% real fruit pulp jellies from another award-winning, small artisanal producer in the heart of Ireland. So, whatever your tastes or preferences there truly is something for you. We believe the Easter Spring Indulgence Hamper truly captures the essence of what every Easter gift should be, fun, fresh and bursting with goodies for the whole family to share.
