## Details

The Easter Family Eggstravagance Gift Basket is the ideal gift for a family this Easter. Filled with a carefully selected assortment of varying tastes and flavours, the Easter Family Eggstravagance Gift Basket contains something for the whole family to enjoy and fight over - I mean share! First, we cannot forget the quintessential chocolate Easter eggs. So we've included not one, but three! The generational favourite, Cadbury's chocolate for a younger family member perhaps. While including the epitome of Swiss excellence in the form of two golden chocolate Easter eggs and hand-crafted, golden bunnies by the master chocolatiers of Lindt. Next, we have added a deliciously indulgent chocolate fudge cake by The Original Cake Co. Perfect served cold, but even better served hot with a dollop of clotted cream. The perfect accompaniment to a hot cup of tea or coffee on a Spring afternoon. The Easter Family Eggstravagance Gift Basket also includes vegan-friendly, sugar-free, junk-free and shamelessly tasty Tangy Worms by Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. On top of all that, we have also included, a selection of crisps, mallows and other chocolatey delights! Guaranteed to go down a treat this Easter!
