£99.45

IN STOCK

Quick Overview

The Pamper Her Gift Basket is our affordable pamper hamper for the modern woman, and is filled with beautiful, high quality bath and body care products of the highest quality.

Details

A Pamper Hamper that won't disappoint in terms of aesthetic appearance, or content quality. Our Pamper Gifts For Women gift basket has been carefully curated to contain a selection of pure and natural bath and body care items that are thoroughly deserving of a place in the bathroom of any woman. The Pamper Her gift hamper incorporates two fantastic UK made bath and body products. These include; an award winning 'Uplift' body scrub and a matching bottle of body lotion both handmade by Seascapes Apothecary on the Isle of Jersey. Both of these items are made with 100% natural essential oils of jersey and eucalyptus to stimulate the circulation, lime to energise the body and lavender to refresh the senses from Seascapes Apothecary. She'll also find a fabulously scented wildflower sponge, enriched with hydrating olive oil and a blend of energising and toning extracts by Spongelle Cosmetics USA. Also included in this lovely pamper gift basket is a relaxing lavender scented 'Sleep' candle from the Silent Night collection at Wax Lyrical. With a 35 hr burntime she'll be able to enjoy it's scent for many evenings to come. No pamper hamper would be complete without some bubbly bath ingredients and as such we have incorporated a couple of essential oil bath melts which have been handmade by Wild Olive in Devon. These pure and natural bath products include a bath tea bag filled with essential oils and a handmade bath melt. All of these beautiful pamper gifts are rounded off with a box of handmade Milk Chocolate Orange Brittle pieces from the Skelligs chocolate factory in Co. Kerry Ireland. Our Pamper Her Gift Basket has been part a very popular and core part of our gift basket range since 2004. This beautiful and affordable pampergift hamper has been refreshed and reinvented over the years, into as you see it today in it's current Summer 2022 format. The fundamental philosophy behind the popularity of the Pamper Gifts For Women gift basket has always been to offer an inexpensive, high quality pamper gift that can always be depended upon to impress the end gift receiver.
