Details

What makes the Chocolate Eruption gift basket a very worthy gift contender, is the thought and effort that has gone into the selection of sweet treats in the hamper. The sheer variety of chocolate types and flavours from multiple producers, makes it a safe bet that it definitely will be enjoyed, but also a more intriguing gift, for those who you know are partial to a good piece of chocolate. Our skilled team of gift basket designers transform all these components into the perfect present with professional gift wrap and high presentation ribbon, to ensure that it makes an impression both on arrival and when they sample the chocolates and sweet treats inside. There are absolutely amazing chocolates in this gift basket including Lilly O'Brien's Dessert Collection with an irresistibly smooth center guaranteed to melt the heart of every chocolate connoisseur. This is a non-alcoholic gift, which we pride ourselves on offering, as we feel it is very important to have a non-alcoholic alternative to any alcoholic gifts. However we do not just offer non-alcoholic wines we also offer alternative drinks such as the Luscombe Organics Damascene Rose Sparkling Drink offered in this gift, which is handmade in small batches in Devon and a 2016 Great Taste Awards winner. The chocolate cake in this Gift Basket is perfect for every occasion. It allows the basket to be personalised to occasions such as birthdays and anniversaries. With no strong unusual flavours this Gift Basket should be perfect for everyone's taste and with the neutral tones when it is packed and decorated it will come together with a classy classic look that should please everyone.
