Details

Our sparkling wine choices are hand selected to ensure quality is of a premium. For the Sparkling Chocolate Celebration gift basket we've chosen a sparkling Italian dry but sweet Guerrieri Rizzardi Prosecco which has a lovely balance of crispness and fruit flavours like apple, citrus, pear and a hint of melon. Good fizz needs to be complimented by good food and that's exactly what we've achieved in this gift package of delicious chocolate and sweet indulgences from world famous Swiss producers and less well known local British and Irish chocolate manufacturers. The result is a very chocolatey celebration wine gift package that is guaranteed to please. The variety of chocolate in this hamper is really good; from the Lindt Creations Swiss Collection Box, with an irresistible array of textures and flavours to please every palate, this is the ultimate chocolate indulgence, to Lily O'Brien's Creamy Caramels with Sea Salt; smooth creamy caramel in a thin format with a caramel and sea salt centre covered is Lily O'Brien's famous milk chocolate to name but a few. This hamper is filled with traditional flavours that everyone will be familiar with, without being boring, so you can be very confident that they will enjoy the taste of this hamper. We have things for all ages in this hamper. With the sparkling wine for adults and Ginger Beer is perfect for anyone who doesn't drink alcohol, we think it is important to include a non-alcoholic drink as well. For a younger audience, there is a pack of chocolate hazelnut butter cups and any children would love Tregroes Milk Chocolate Waffles. The cake that is included in this hamper really helps to make it suitable for so many occasions. It is an amazing gift for any celebration. The cake works wonderfully for a birthday or for an anniversary. Pairing the cake with the sparkling wine works even better to make it even more special to show a well thought out gift.
